MEMORANDUM FOR: Director of Central Intelligence

FROM: David B. Low
National Intelligence Officer for Economics

SUBJECT: Your 5 August Memorandum on the Senior Review Panel

1. I like your idea of a small permanent body with a roster of experts available for comment. This allows us to reach out to people with a broad mix of backgrounds and to tap special expertise.

2. I do not have specific recommendations at this point for either the permanent or part-time people. However, I will during my vacation be exposed to many very talented people in the New York business community and will be seeking ideas.
